Old Business

Discussed replacing the pump house door. The type of door frame has to be put in sections and the size is a larger size then common and will have to be special ordered. The quote is for \$800. After discussion it was decided to check with Tom to be sure the door is a quality door to hold up around chemicals that's present. This will be tabled for next meeting.

Mockingbird Rd and maintenance cost was discussed. It was discussed to let Larkinsburg township maintain this road since they have bigger equipment and could get additional MFT by adding this road. Village would not lose any MFT because the Village's MFT is by population. It was decided to check further with the tax assessors office to see if the village would lose taxes by de-annexing Mockingbird out of the Village limits. This was table for next meeting.
